FORMULA 3000

Formula 3000 is designed for Secondary Students over the age of 13 (Year 8) and provides a fantastic adrenalin rush on Australia's safest indoor Go-Kart track. Drivers are started initially at our Rookie speed for 3-5 minutes, then once we are satisfied that they are controlling the karts correctly, and obeying our instructions and basic road courtesy, we will stop them and increase the top-end speed of their go-karts for a further 8 minutes. Any driver not obeying our instructions or deemed to be deliberately driving recklessly or in an un-safe manner will first be cautioned. If they persist they will be removed from the track so that they no longer interfere with the other drivers. Pricing for a Formula 3000 ride is -

**1 x F3000 ride (approx. 14-15 minutes total + 5 minutes briefing)
\$16.00 per student. Maximum 12 students per ride.**

**2 x F3000 rides (second ride is at the faster speed and is an 8 minute ride)
\$28.00 per student. Maximum 12 students per ride.**

Minimum booking - 8 students.
